

From Farm to Plate
**THE TASTE
OF SCG 60**

Celebrate the Flavours of Home

THIS SG60, WE CELEBRATE THE FLAVOURS OF HOME AND THE ROOTS THAT CONNECT US.

We've teamed up with our local partners to create something special. A menu filled with fresh ingredients, thoughtful stories, and the spirit of home.

Each dish is crafted with produce we know and trust, reflecting our love for homegrown flavours and the people who make them possible.

It's a celebration of good food, local pride, and the simple joy of coming together over a shared feast.

FROM LOCAL FARMS TO YOUR PLATE

We partner with trusted local farms to bring you the freshest flavours.

SAKURA CHICKEN

Naturally Juicy, Antibiotic-Free.

Reared without antibiotics using advanced free-range farming technology, Sakura Chicken is fed with lactobacillus to naturally boost immunity. Grown in a temperature-controlled, hygienic environment, every bite is extra juicy and tender.

Perfect for your plate.

THE FISHER FARMER

Fresh from the Sea.

Barramundi from The Fish Farmer is raised in clean, open-sea kelongs off Changi. Harvested daily, every fillet is firm, sweet, and super fresh. Just the way we like it.

N&N EGG FARM

Farm-Fresh, Pasteurised Eggs You Can Trust.

One of Singapore's most trusted egg farms, N&N produces fresh, quality eggs under strict hygiene standards. They were also the first in Singapore to offer pasteurised shell eggs — a safe and reliable choice for any occasion.

GOLDEN CAP FARM

Fresh Local Mushrooms.

These homegrown mushrooms carry the rich, earthy flavour of our land. Hand-tended and freshly harvested, they bring warmth and natural goodness to every bite.

BEAN FARM BEANSPROUT

Fresh Local Beansprouts.

Crunchy, clean, and always fresh! Our beansprouts come from Bean Farm, a trusted local source. Their careful growing process ensures every sprout adds a refreshing crunch to your plate.
